Potential of ARIs in Rajasthan

1546. SHRI R.K. ANAND:
SHRISANTOSH BAGRODIA:

Will the Minister of AGRO AND RURAL INDUSTRIES be pleased to state:

(a) whether Government have assessed potential of the agro industries in Rajasthan;

(b) if so, the details thereof;

(c) how far this potential is being utilized; and

(d) what steps Government have taken to ensure development of the agro industries in the State and what are the marketing schemes Government intend to implement for the same?

THE MINISTER OF STATE OF THE MINISTRY OF AGRO AND RURAL INDUSTRIES (SHRISANGH PRIYA GAUTAM): (a) Yes, Sir.

(b) The following agro and rural industries have potential in Rajasthan;

(i) Cottage leather
(ii) Processing of cereals and pulses
(iii) Preparation pickle and *masalas*
(iv) Village pottery
(v) Manufacturing of Garments
(vi) Carpentry and blacksmithy
(vii) Lime based activities
(viii) Handmade paper products
(ix) Processing of fruits and vegetables activities, etc.

(c) Under the Rural Employment Generation Programme (REGP) upto 31.03.2002, 20365 agro and rural industries projects have been established and Rs. 56.40 crores has been utilised as margin money assistance in Rajasthan.

(d) The Government through Khadi and Village Industries Commission is implementing the Rural Employment Generation Programme (REGP) for promoting agro and rural industries in the country, including the State of Rajasthan under which margin money assistance upto 25% for project costing upto Rs. 10 lakhs (30% in case of weaker section) and 10% for the project costing over and above Rs. 10 lakhs and upto Rs. 25 lakhs is provided. Besides, financial assistance to the tune of Rs. 16.50 lakhs during 1998-99 to 2002-03 was also made available to Rajasthan for undertaking various promotional activities for the benefit of REGP.

For the marketing of agro and rural products in the country, the Khadi

Package announced by Government of India on 14.05.2001, provides for strengthening of the marketing avenues of Khadi and Village Industry products through renovation and modernization of sales outlets, holding of exhibitions of these products, Market Development Assistance, creation of packaging and design facilities, brand building and cluster development, technology upgradation, quality control, etc.
